Collect your fabrics.

Sew all 4 strips together to make one wide strip, using a $\frac{1}{4}$ " seam allowance.
Press all the seams in the same direction.

Cut the wide strip into four segments, each $6\frac{1}{2}$ " wide.

Twist and turn the segments to create a pinwheel.

Sew the top two together and the bottom two together.
Press the seams.

Sew the two rows together.

Press the final seam, and your block is complete!
