14 strips cut 2" x 18"; trim both ends at a 45-degree angle (parallel to each other) and join all of the strips end to end

*Cut sashes and borders first, parallel to the lengthwise grain.*

*If strip piecing, cut sashes, borders, and patches first; then cut yardage into 18" lengths for strip piecing.*

Celtic Squares Wall Quilt

*Note that the simplified diagrams above and left show each block the same. That is how the wall quilt is made. However, the directions for the Queen/King quilt call for 20 different dark prints, so each block can be made from a different set of fabrics in that quilt size.*
